I Pay has confirmed a bet I held to elect Kelly on the ground that the town and likely city now, which is being built by enhanced by corrections

But the issues of the Legislative Assembly material has spread of the settlement of specially over, vast tracts of the Bill distributing the territory and providing districts and in the interesting section of the mountains, known as the 1st Judicial District and including the counties of Walla Walla, Shoshone, Nez Perce, Idaho, Spokane and Missoula—with District courts at the county seat of Walla Walla for the county of that name, at county seat of Shoshone for Shoshone and Nez Perce counties, at county seat of Idaho for that county at county seat of Spokane for counties of Spokane and Missoula

The case appears to turn upon the construction of the law of last winter organizing the
